Applicants, participants, and the public also shall be advised of their right to file a complaint, how to file a complaint, the complaint procedures, and that a complaint may be filed anonymously or by a third party.

(cf. 5145.6 - Parental Notifications)

In addition, the compliance coordinator shall ensure that all forms of communication available to the public regarding program availability shall contain, in a prominent location, a statement

provided by USDA about the district's status as an equal opportunity provider and the address of the agency with responsibility to handle complaints made against the district.

A short version of the nondiscrimination statement, as provided by USDA, may be used on pamphlets, brochures, and flyers in the same print size as the rest of the text.

The district may also provide bystander intervention training to employees which includes information and practical guidance on how to recognize potentially problematic behaviors and which may motivate them to take action when they observe such behaviors. Complaint Procedure

Complaints of sexual harassment shall be investigated and resolved in accordance with AR 4119.12/4219.12/4319.12 - Title IX Sexual Harassment Complaint Procedures if the alleged conduct meets the definition of sexual harassment pursuant to 34 CFR 106.30.

Any other complaint alleging unlawful discrimination or harassment shall be addressed in accordance with the following procedures:

1. Notice and Receipt of Complaint: A complainant may inform a direct supervisor, another supervisor, the coordinator, the Superintendent or, if available, a complaint hotline or an ombudsman. The complainant's direct supervisor may be bypassed in filing a complaint when the supervisor is the subject of the complaint.

The complainant may first attempt to resolve the situation informally with the complainant's supervisor before filing a written complaint.

A supervisor or manager who has received information about an incident of discrimination or harassment, or has observed such an incident, shall report it to the coordinator, whether or not the complainant files a written complaint.

The written complaint should contain the complainant's name, the name of the individual who allegedly committed the act, a description of the incident, the date and location where the incident occurred, any witnesses who may have relevant information, any available evidence of the discrimination or harassment, and any other pertinent information which may assist in investigating and resolving the complaint.

2. Investigation Process: The coordinator shall initiate an impartial investigation of an allegation of discrimination or harassment within five business days of receiving notice of the alleged discriminatory or harassing behavior, regardless of whether a written complaint has been filed or whether the written complaint is complete.

The coordinator shall meet with the complainant to describe the district's complaint procedure

and discuss the actions being sought by the complainant in response to the allegation. The coordinator shall inform the complainant that the investigation of the allegations will be fair, timely, and thorough and will be conducted in a manner that provides all parties due process and reaches reasonable conclusions based on the evidence collected. The coordinator shall also inform the parties that the investigation will be kept confidential to the extent possible, but that some information may be disclosed as necessary to conduct an effective investigation.

(cf. 3580 - District Records)

(cf. 4112.6/4212.6/4312.6 - Personnel Files)

(cf. 4119.23/4219.23/4319.23 - Unauthorized Release of Confidential/Privileged Information)

If the coordinator determines that a detailed fact-finding investigation is necessary, the investigation shall begin immediately. As part of this investigation, the coordinator should interview the complainant, the person accused, and other persons who could be expected to have relevant information.

The coordinator shall track and document the progress of the investigation to ensure reasonable progress and shall inform the parties as necessary.

When necessary to carry out the investigation or to protect employee safety, the coordinator may discuss the complaint with the Superintendent or designee, district legal counsel, or the district's risk manager.

The coordinator shall also determine whether interim measures, such as scheduling changes, transfers, or leaves, need to be taken before the investigation is completed in order to prevent further incidents. The coordinator shall ensure that such interim measures do not constitute retaliation.

3. **Written Report on Findings and Remedial/Corrective Action:** No more than 20 business days after receiving the complaint, the coordinator shall conclude the investigation and prepare a written report of the findings. This timeline may be extended for good cause. If an extension is needed, the coordinator shall notify the parties and explain the reasons for the extension.

The report shall include the decision and the reasons for the decision and shall summarize the steps taken during the investigation. If a determination has been made that discrimination or harassment occurred, the report shall also include any corrective action(s) that have been or will be taken to address the behavior, provide appropriate options for remedial actions and resolutions for the complainant, and ensure that retaliation or further discrimination or harassment is prevented. The report shall be presented to the Superintendent or designee.

A summary of the findings shall be presented to the complainant and the person accused.

4. **Appeal to the Governing Board:** The complainant or the person accused may appeal any findings to the Board within 10 business days of receiving the written report of the coordinator's findings. The Superintendent or designee shall provide the Board with all information presented during the investigation. Upon receiving an appeal, the Board shall schedule a hearing as soon as

practicable. Any complaint against a district employee shall be addressed in closed session in accordance with law. The Board shall render its decision within 10 business days.

(cf. 1312.1 - Complaints Concerning District Employees)
(cf. 9321 - Closed Session)

Other Remedies

In addition to filing a discrimination or harassment complaint with the district, a person may file a complaint with either DFEH or the Equal Employment Opportunity Commission (EEOC). The time limits for filing such complaints are as follows:

1. For filing a complaint with DFEH alleging a violation of Government Code 12940-12952, within three years of the alleged discriminatory act(s), unless an exception exists pursuant to Government Code 12960 (Government Code 12960)
2. For filing a complaint with EEOC, within 180 days of the alleged discriminatory act(s) (42 USC 2000e-5)
3. For filing a complaint with EEOC after first filing a complaint with DFEH, within 300 days of the alleged discriminatory act(s) or within 30 days after the termination of proceedings by DFEH, whichever is earlier (42 USC 2000e-5)

The following policy shall apply to all district employees, interns, volunteers, contractors, job applicants, and other persons with an employment relationship with the district.

The Governing Board is committed to providing a safe work environment that is free of harassment and intimidation. 1. Providing training to employees in accordance with law and administrative regulation
2. Publicizing and disseminating the district's sexual harassment policy to employees and others to whom the policy may apply
3. Ensuring prompt, thorough, fair, and equitable investigation of complaints
4. Taking timely and appropriate corrective/remedial action(s), which may require interim separation of the complainant and the alleged harasser and subsequent monitoring of developments

The Superintendent or designee shall periodically evaluate the effectiveness of the district's strategies to prevent and address harassment. As necessary, changes shall be made to the harassment policy, complaint procedures, or training.

Sexual Harassment Reports and Complaints

District employees who feel that they have been sexually harassed in the performance of their district responsibilities or who have knowledge of any incident of sexual harassment by or against another employee shall immediately report the incident to their direct supervisor, a district administrator, or the district's Title IX Coordinator. Employees may bypass their supervisor in filing a complaint if the supervisor is the subject of the complaint. A supervisor or administrator who receives a harassment complaint shall promptly notify the Title IX

Prohibited Conduct

Prohibited sexual harassment includes, but is not limited to, unwelcome sexual advances, unwanted requests for sexual favors, or other unwanted verbal, visual, or physical conduct of a sexual nature, regardless of whether or not the conduct is motivated by sexual desire. Conduct is considered to be sexual harassment when made against another person of the same or opposite sex in the work or educational setting under any of the following conditions: (Education Code

212.5; Government Code 12940; 2 CCR 11034)

1. Submission to the conduct is made explicitly or implicitly a term or condition of the individual's employment.
2. Submission to or rejection of the conduct is used as the basis for an employment decision affecting the individual.
3. The conduct has the purpose or effect of having a negative impact upon the individual's work performance or of creating an intimidating, hostile, or offensive work environment.
4. Submission to or rejection of the conduct is used as the basis for any decision affecting the individual regarding benefits, services, honors, programs, or activities available at or through the district.

Examples of actions that might constitute sexual harassment in the work or educational setting, whether committed by a supervisor, a co-worker, or a non-employee, include, but are not limited to:

1. Unwelcome verbal conduct such as sexual flirtations or propositions; graphic comments about an individual's body; overly personal conversations or pressure for sexual activity; sexual jokes or stories; unwelcome sexual slurs, epithets, threats, innuendoes, derogatory comments, sexually degrading descriptions, or the spreading of sexual rumors

All newly hired employees and employees promoted to a supervisory position shall receive training within six months of their assumption of the new position. (Government Code 12950.1)

A supervisory employee is any employee having the authority, in the interest of the district, to hire, transfer, suspend, lay off, promote, discharge, assign, reward, or discipline other employees, or the responsibility to direct them, adjust their grievances, or effectively recommend such action, when the exercise of the authority is not of a merely routine or clerical nature, but requires the use of independent judgment. (Government Code 12926)

(cf. 4300 - Administrative and Supervisory Personnel)

Such training may be completed by employees individually or as part of a group presentation, may be completed in shorter segments as long as the applicable hourly requirement is met, and may be provided in conjunction with other training provided to the employees. The training shall be presented by trainers or educators with knowledge and expertise in the prevention of harassment, discrimination, and retaliation. (Government Code 12950.1)

The district's sexual harassment training and education program shall include, but is not limited to, the following: (Government Code 12950.1; 2 CCR 11024)

1. Information and practical guidance regarding federal and state laws concerning the prohibition, prevention, and correction of sexual harassment

6. Practical examples which illustrate sexual harassment, discrimination, and retaliation using training modalities such as role plays, case studies, and group discussions, based on factual scenarios taken from case law, news and media accounts, and hypotheticals based on workplace situations and other sources
7. The limited confidentiality of the complaint process
8. Resources for victims of unlawful harassment, such as to whom they should report any alleged harassment
9. Steps necessary to take appropriate remedial measures to correct harassing behavior, which includes the district's obligation to conduct an effective workplace investigation of a harassment complaint
10. What to do if the supervisor is personally accused of harassment
11. The essential elements of the district's anti-harassment policy, and how to use the policy if a harassment complaint is filed

Employees shall receive a copy of the district's sexual harassment policy and administrative regulations, which they shall read and acknowledge that they have received.

Administrative Regulation

Title IX Sexual Harassment Complaint Procedures

AR 4119.12

Personnel

The complaint procedures described in this administrative regulation shall be used to address any complaint governed by Title IX of the Education Amendments of 1972 alleging that a district employee was subjected to one or more of the following forms of sexual harassment: (34 CFR 106.30)

1. A district employee conditioning the provision of a district aid, benefit, or service on a person's participation in unwelcome sexual conduct
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the district's education program or activity
3. Sexual assault, dating violence, domestic violence, or stalking as defined in 20 USC 1092 or 34 USC 12291

(cf. 4119.11/4219.11/4319.11 - Sexual Harassment)

All other sexual harassment complaints shall be investigated and responded to pursuant to AR 4030 - Nondiscrimination in Employment.

(cf. 4030 - Nondiscrimination in Employment)

A report of sexual harassment shall be submitted directly to or forwarded to the district's Title IX Coordinator using the contact information listed in AR 4119.11/4219.11/4319.11 - Sexual Harassment.

Upon receiving such a report, the Title IX Coordinator shall inform the complainant of the process for filing a formal complaint.

Even if the alleged victim chooses not to file a formal complaint, the Title IX Coordinator shall file a formal complaint in situations in which a safety threat exists. In addition, the Title IX Coordinator may file a formal complaint in other situations as permitted under the Title IX regulations. In such cases, the alleged victim is not a party to the case, but will receive notices as required by the Title IX regulations at specific points in the complaint process.

A formal complaint, with the complainant's physical or digital signature, may be filed with the Title IX Coordinator in person, by mail, by email, or by any other method authorized by the district. (34 CFR 106.30)

The Superintendent or designee shall ensure that the Title IX Coordinator, investigator, decision-maker, or a facilitator of an informal resolution process does not have a conflict of

interest or bias for or against complainants or respondents generally or an individual complainant or respondent, and that such persons receive training in accordance with 34 CFR 106.45. (34 CFR 106.45)

Supportive Measures

Upon receipt of a report of Title IX sexual harassment, even if a formal complaint is not filed, the Title IX Coordinator shall promptly contact the complainant to discuss the availability of supportive measures which are nondisciplinary, nonpunitive, and do not unreasonably burden the other party. Such measures may include, but are not limited to, counseling, extensions of deadlines, modifications of work schedules, mutual restrictions on contact, changes in work locations, leaves of absence, increased security, and monitoring of certain areas of the campus. The Title IX Coordinator shall consider the complainant's wishes with respect to supportive measures. (34 CFR 106.30, 106.44)

Emergency Removal

If a district employee is the respondent, the employee may be placed on administrative leave during the pendency of the formal complaint process. (34 CFR 106.44)

If the respondent is a student, the district may, on an emergency basis, remove the student from the district's education program or activity, provided that the district conducts an individualized safety and risk analysis, determines that removal is justified due to an immediate threat to the physical health or safety of any student or other individual arising from the allegations, and provides the student with notice and an opportunity to challenge the decision immediately following the removal. This authority to remove a student does not modify a student's rights under the Individuals with Disabilities Education Act or Section 504 of the Rehabilitation Act of 1973. (34 CFR 106.44)

Dismissal of Complaint

The Title IX Coordinator shall dismiss a formal complaint if the alleged conduct would not constitute sexual harassment as defined in 34 CFR 106.30 even if proved. The Title IX Coordinator shall also dismiss any complaint that did not occur in the district's education program or activity or did not occur against a person in the United States, and may dismiss a formal complaint if the complainant notifies the district in writing that the complainant would like to withdraw the complaint or any allegations in the complaint, the respondent is no longer employed by the district, or sufficient circumstances prevent the district from gathering evidence sufficient to reach a determination with regard to the complaint. (34 CFR 106.45)

Upon dismissal, the Title IX Coordinator shall promptly, and simultaneously to the parties, send written notice of the dismissal and the reasons for the dismissal. (34 CFR 106.45)

If a complaint is dismissed on the grounds that the alleged conduct does not constitute sexual harassment as defined in 34 CFR 106.30, the conduct may still be addressed pursuant to AR 4030 - Nondiscrimination in Employment as applicable.

Informal Resolution Process

When a formal complaint of sexual harassment is filed, the district may offer an informal resolution process, such as mediation, at any time prior to reaching a determination regarding responsibility. The district shall not require a party to participate in the informal resolution process or to waive the right to an investigation and adjudication of a formal complaint. (34 CFR 106.45)

The district may facilitate an informal resolution process provided that the district: (34 CFR 106.45)

1. Provides the parties with written notice disclosing the allegations, the requirements of the informal resolution process, the right to withdraw from the informal process and resume the formal complaint process, and any consequences resulting from participating in the informal resolution process, including that records will be maintained or could be shared.
2. Obtains the parties' voluntary, written consent to the informal resolution process

Formal Complaint Process

If a formal complaint is filed, the Title IX Coordinator shall provide the known parties with written notice of the following: (34 CFR 106.45)

1. The district's complaint process, including any informal resolution process
2. The allegations potentially constituting sexual harassment with sufficient details known at the time, including the identity of parties involved in the incident if known, the conduct allegedly constituting sexual harassment, and the date and location of the alleged incident if known. Such notice shall be provided with sufficient time for the parties to prepare a response before any initial interview.

If, during the course of the investigation, the district investigates allegations about the complainant or respondent that are not included in the initial notice, the Title IX Coordinator shall provide notice of the additional allegations to the parties.

3. A statement that the respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the complaint process
 4. The opportunity for the parties to have an advisor of their choice who may be, but is not required to be, an attorney, and the ability to inspect and review evidence
 5. The prohibition against knowingly making false statements or knowingly submitting false information during the complaint process
- The above notice shall also include the name of the investigator, facilitator of an informal process, and decision-maker and shall provide either party with no less than three calendar days

to raise concerns of conflict of interest or bias regarding any of these persons.

During the investigation process, the district shall: (34 CFR 106.45)

1. Provide an equal opportunity for the parties to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence
2. Not restrict the ability of either party to discuss the allegations under investigation or to gather and present relevant evidence
3. Provide the parties with the same opportunities to have others present during any grievance proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice, who may be, but is not required to be, an attorney
4. Not limit the choice or presence of an advisor for either the complainant or respondent in any meeting or grievance proceeding, although the district may establish restrictions regarding the extent to which the advisor may participate in the proceedings as long as the restrictions apply equally to both parties
5. Provide, to a party whose participation is invited or expected, written notice of the date, time, location, participants, and purpose of all investigative interviews or other meetings, with sufficient time for the party to prepare to participate
6. Send in an electronic format or hard copy to both parties and their advisors, if any, the evidence that is directly related to the allegations raised in the complaint, and provide the parties at least 10 days to submit a written response for the investigator to consider prior to the completion of the investigative report
7. Objectively evaluate all relevant evidence, including both inculpatory and exculpatory evidence, and determine credibility in a manner that is not based on a person's status as a complainant, respondent, or witness
8. Create an investigative report that fairly summarizes relevant evidence and, at least 10 days prior to the determination of responsibility, send to the parties and their advisors, if any, the investigative report in an electronic format or a hard copy, for their review and written response
9. After sending the investigative report to the parties and before reaching a determination regarding responsibility, afford each party the opportunity to submit written, relevant questions that the party wants asked of any party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party

Questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence are offered to prove that someone other than the respondent committed the conduct alleged by the complainant or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent.

Privacy rights of all parties to the complaint shall be maintained in accordance with applicable state and federal laws.

If the complaint is against an employee, rights conferred under an applicable collective bargaining agreement shall be applied to the extent they do not conflict with the Title IX requirements.

Written Decision

The Superintendent will be the designated decision-maker. They will determine responsibility for the alleged conduct, who shall not be the Title IX Coordinator or a person involved in the investigation of the matter. (34 CFR 106.45)

The decision-maker shall issue, and simultaneously provide to both parties, a written decision as to whether the respondent is responsible for the alleged conduct. (34 CFR 106.45)

The written decision shall be issued within 45 calendar days of the receipt of the complaint.

The timeline may be temporarily extended for good cause with written notice to the complainant and respondent of the extension and the reasons for the action. (34 CFR 106.45)

In making this determination, the district shall use the "preponderance of the evidence" standard for all formal complaints of sexual harassment. (34 CFR 106.45)

The written decision shall include the following: (34 CFR 106.45)

1. Identification of the allegations potentially constituting sexual harassment as defined in 34 CFR 106.30
2. A description of the procedural steps taken from receipt of the formal complaint through the written decision, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held if the district includes hearings as part of the grievance process
3. Findings of fact supporting the determination
4. Conclusions regarding the application of the district's code of conduct to the facts
5. A statement of, and rationale for, the result as to each allegation, including a decision regarding responsibility, any disciplinary sanctions the district imposes on the respondent, and whether remedies designed to restore or preserve equal access to the district's educational program or activity will be provided by the district to the complainant
6. The district's procedures and permissible bases for the complainant and respondent to appeal

Appeals

Either party may appeal the district's decision or dismissal of a formal complaint or any allegation in the complaint, if the party believes that a procedural irregularity affected the outcome, new evidence is available that could affect the outcome, or a conflict of interest or bias by the Title IX Coordinator, investigator(s), or decision-maker(s) affected the outcome. If an appeal is filed, the district shall: (34 CFR 106.45)

1. Notify the other party in writing when an appeal is filed and implement appeal procedures equally for both parties
2. Ensure that the decision-maker(s), Governing Board, for the appeal is trained in accordance with 34 CFR 106.45 and is not the same decision-maker(s), Superintendent, who reached the determination regarding responsibility or dismissal, the investigator(s), or the Title IX Coordinator
3. Give both parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome
4. Issue a written decision describing the result of the appeal and the rationale for the result
5. Provide the written decision simultaneously to both parties

An appeal must be filed in writing within 10 calendar days of receiving the determination, stating the grounds for the appeal and including any relevant documentation in support of the appeal. Appeals submitted after this deadline are not timely and shall not be considered. Either party has the right to file a complaint with the U.S. Equal Employment Opportunity Commission.

A written decision shall be provided to the parties within 20 calendar days from the receipt of the appeal.

Remedies

When a determination of responsibility for sexual harassment has been made against the respondent, the district shall provide remedies to the complainant. Such remedies may include the same individualized services described above in the section "Supportive Measures," but need not be nondisciplinary or nonpunitive and need not avoid burdening the respondent. (34 CFR 106.45)

Disciplinary Actions

The district shall not impose any disciplinary sanctions or other actions against a respondent, other than supportive measures as described above in the section "Supportive Measures," until the complaint procedure has been completed and a determination of responsibility has been made. (34 CFR 106.44)

When an employee is found to have committed sexual harassment or retaliation, the district shall

take appropriate disciplinary action, up to and including dismissal, in accordance with applicable law and collective bargaining agreement.

(cf. 4117.7/4317.7 - Employment Status Report)
(cf. 4118 - Dismissal/Suspension/Disciplinary Action)
(cf. 4119.11/4219.11/4319.11 - Sexual Harassment)
(cf. 4218 - Dismissal/Suspension/Disciplinary Action)

Record-Keeping

The Superintendent or designee shall maintain for a period of seven years a record of all reported cases and Title IX investigations of sexual harassment, any determinations of responsibility, any audio or audiovisual recording and transcript if applicable, any disciplinary sanctions imposed, any remedies provided to the complainant, any appeal or informal resolution and the results therefrom, and responses made pursuant to 34 CFR 106.44. (34 CFR 106.45)

The Superintendent or designee shall also maintain for a period of seven years all materials used to train the Title IX Coordinator, investigator(s), decision-maker(s), and any person who facilitates an informal resolution process. The district shall make such training materials publicly available on its web site, or if the district does not maintain a web site, available upon request by members of the public. (34 CFR 106.45)

BP 5141.22

Students

The Governing Board desires to protect students from risks posed by exposure to infectious diseases while providing a high-quality education for all students. The Superintendent or designee shall collaborate with local and state health officials to develop and regularly update a comprehensive plan for disease prevention that promotes preventative measures, mitigation, education, communication, and training of students and staff. All measures to limit the spread of infectious diseases shall be nondiscriminatory and ensure that equity is promoted.

(cf. 5141.6 - School Health Services)
(cf. 5145.3 - Nondiscrimination/Harassment)
(cf. 6020 - Parent Involvement)

The Superintendent or designee shall regularly review resources available from health experts to ensure that district programs and operations are based on the most up-to-date information.

The district's comprehensive health education program shall provide age-appropriate information about the nature and symptoms of communicable diseases, their transmission, and how to help prevent the spread of contagious diseases.

(cf. 6142.1 - Sexual Health and HIV/AIDS Prevention Instruction)
(cf. 6142.8 - Comprehensive Health Education)

If the local health officer notifies the district of an outbreak of a communicable disease, or the imminent and proximate threat of a communicable disease outbreak or epidemic that threatens the public's health, the district shall take any action that the health officer deems necessary to control the spread of the disease. The district shall comply with all applicable state and federal privacy laws in regard to any such information received from the local health officer. (Health and Safety Code 120175.5)

Students and staff shall observe universal precautions in order to prevent exposure to bloodborne

pathogens and to prevent the spread of infectious diseases.

(cf. 4119.42/4219.42/4319.42 - Exposure Control Plan for Bloodborne Pathogens)

(cf. 4119.43/4219.43/4319.43 - Universal Precautions)

The Superintendent or designee shall inform students of the precautions to be used in cases of exposure to blood or other body fluids through injury, accident, or classroom instruction.

(cf. 5141 - Health Care and Emergencies)

(cf. 6145.2 - Athletic Competition)

Students with Infectious Diseases

The Superintendent or designee shall exclude students from on-campus instruction only in accordance with law, Board policy, and administrative regulation. Because bloodborne pathogens such as hepatitis B virus, hepatitis C virus, and human immunodeficiency virus (HIV) are not casually transmitted, the presence of infectious conditions of this type is not, by itself, sufficient reason to exclude students from attending school.

(cf. 5112.2 - Exclusions from Attendance)

(cf. 6164.6 - Identification and Education Under Section 504)

Parents/guardians are encouraged to inform the Superintendent or designee if their child has an infectious disease so that school staff may work cooperatively with the student's parents/guardians to minimize exposure to other diseases in the school setting. If necessary, the Superintendent or designee shall inform the local health official of any potential outbreak. The Superintendent or designee shall ensure that student confidentiality and privacy rights are strictly observed in accordance with law.

The following precautions shall be used when students are working with blood or other body fluids:

1. Before and after exposure to blood or other body fluids, students shall wash their hands

Post the district's policies and procedures prohibiting discrimination, harassment, student sexual harassment, intimidation, bullying, and cyberbullying, including a section on social media bullying that includes all of the references described in Education Code 234.6 as possible forums for social media, in a prominent location on the district's web site in a manner that is easily

accessible to parents/guardians and students (Education Code 234.6)

4. b. The rights of students and the public and the responsibilities of the district under Title IX, including a list of rights as specified in Education Code 221.8 and web links to information about those rights and responsibilities located on the web sites of the Office for Equal Opportunity and the U.S. Department of Education's Office for Civil Rights (OCR)

Such resources shall be posted in a prominent location on the district's web site in a manner that is easily accessible to

parents/guardians and students. (Education Code 234.5, 234.6)

7. Annually notify all students and parents/guardians of the district's nondiscrimination policy, including its responsibility to provide a safe, nondiscriminatory school environment for all students, including transgender and gender-nonconforming students. The notice shall inform students and parents/guardians that they may request to meet with the compliance officer to determine how best to accommodate or resolve concerns that may arise from the district's implementation of its nondiscrimination policies. The notice shall also inform all students and parents/guardians that, to the extent possible, the district will address any individual student's interests and concerns in private.

(cf. 5145.6 - Parental Notifications)

8. Ensure that students and parents/guardians, including those with limited English proficiency, are notified of how to access the relevant information provided in the district's nondiscrimination policy and related complaint procedures, notices, and forms in a language they can understand.

If 15 percent or more of students enrolled in a particular district school speak a single primary language other than English, the district's policy, regulation, forms, and notices concerning nondiscrimination shall be translated into that language in accordance with Education Code 234.1 and 48985. In all other instances, the district shall ensure meaningful access to all relevant information for parents/guardians with limited English proficiency.

9. Provide to students, employees, volunteers, and parents/guardians age-appropriate training and/or information regarding the district's nondiscrimination policy; what constitutes prohibited discrimination, including discriminatory harassment, intimidation, retaliation, or bullying; how and to whom a report of an incident should be made; and how to guard against segregating or stereotyping students when providing instruction, guidance, supervision, or other services to them. Such training and information shall include details of guidelines the district may use to provide a discrimination-free environment for all district students, including transgender and gender-nonconforming students.

(cf. 4112.9/4212.9/4312.9 - Employee Notifications)

11. At the beginning of each school year, inform each principal or designee of the district's responsibility to provide appropriate assistance or resources to protect students from threatened or potentially discriminatory behavior and ensure their privacy rights.

Process for Initiating and Responding to Complaints

Students who feel that they have been subjected to unlawful discrimination described above or in district policy are strongly encouraged to immediately contact the compliance officer, principal, or any other staff member. In addition, students who observe any such incident are strongly

encouraged to report the incident to the compliance officer or principal, whether or not the alleged victim files a complaint.

Any school employee who observes an incident of unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, or to whom such an incident is reported shall report the incident to the compliance officer or principal within a school day, whether or not the alleged victim files a complaint.

Any school employee who witnesses an incident of unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, shall immediately intervene to stop the incident when it is safe to do so. (Education Code 234.1)

When a report of unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, is made to or received by the principal or compliance officer, the principal or compliance officer shall notify the student or parent/guardian of the right to file a formal complaint in accordance with AR 1312.3 - Uniform Complaint Procedures or, for complaints of sexual harassment that meet the federal Title IX definition, AR 5145.71 - Title IX Sexual Harassment Complaint Procedures. Once notified verbally or in writing, the compliance officer shall begin the investigation and shall implement immediate measures necessary to stop the discrimination and ensure that all students have access to the educational program and a safe school environment. Any interim measures adopted to address unlawful discrimination shall, to the extent possible, not disadvantage the complainant or a student who is the victim of the alleged unlawful discrimination.

Any report or complaint alleging unlawful discrimination by the principal, compliance officer, or any other person to whom a report would ordinarily be made or complaint filed shall instead be made to or filed with the Superintendent or designee who shall determine how the complaint will be investigated.

(cf. 5141.4 - Child Abuse Prevention and Reporting)

Transgender and Gender-Nonconforming Students

Gender identity of a student means the student's gender-related identity, appearance, or behavior as determined from the student's internal sense, whether or not that gender-related identity, appearance, or behavior is different from that traditionally associated with the student's physiology or assigned sex at birth.

Gender expression means a student's gender-related appearance and behavior, whether stereotypically associated with the student's assigned sex at birth. (Education Code 210.7)

Gender transition refers to the process in which a student changes from living and identifying as the sex assigned to the student at birth to living and identifying as the sex that corresponds to the student's gender identity.

Gender-nonconforming student means a student whose gender expression differs from

stereotypical expectations.

Transgender student means a student whose gender identity is different from the gender assigned at birth.

The district prohibits acts of verbal, nonverbal, or physical aggression, intimidation, or hostility that are based on sex, gender identity, or gender expression, or that have the purpose or effect of producing a negative impact on the student's academic performance or of creating an intimidating, hostile, or offensive educational environment, regardless of whether the acts are sexual in nature. Examples of the types of conduct which are prohibited in the district and which may constitute gender-based harassment include, but are not limited to:

1. Refusing to address a student by a name and the pronouns consistent with the student's gender identity
2. Disciplining or disparaging a student or excluding the student from participating in activities, for behavior or appearance that is consistent with the student's gender identity or that does not conform to stereotypical notions of masculinity or femininity, as applicable
3. Blocking a student's entry to the restroom that corresponds to the student's gender identity
4. Taunting a student because the student participates in an athletic activity more typically favored by a student of the other sex
5. Revealing a student's transgender status to individuals who do not have a legitimate need for the information, without the student's consent
6. Using gender-specific slurs
7. Physically assaulting a student motivated by hostility toward the student because of the student's gender, gender identity, or gender expression

The district's uniform complaint procedures (AR 1312.3) or Title IX sexual harassment procedures (AR 5145.71), as applicable, shall be used to report and resolve complaints alleging discrimination against transgender and gender-nonconforming students.

Examples of bases for complaints include, but are not limited to, the above list, as well as improper rejection by the district of a student's asserted gender identity, denial of access to facilities that correspond with a student's gender identity, improper disclosure of a student's transgender status, discriminatory enforcement of a dress code, and other instances of gender-based harassment.

To ensure that transgender and gender-nonconforming students are afforded the same rights, benefits, and protections provided to all students by law and Board policy, the district shall address each situation on a case-by-case basis, in accordance with the following guidelines:

1. Right to privacy: A student's transgender or gender-nonconforming status is the student's private information and the district shall only disclose the information to others with the student's prior written consent, except when the disclosure is otherwise required by law or when the district has compelling evidence that disclosure is necessary to preserve the student's physical or mental well-being. In any case, the district shall only allow disclosure of a student's personally identifiable information to employees with a legitimate educational interest as determined by the district pursuant to 34 CFR 99.31. Any district employee to whom a student's transgender or gender-nonconforming status is disclosed shall keep the student's information confidential. When disclosure of a student's gender identity is made to a district employee by a student, the employee shall seek the student's permission to notify the compliance officer. If the student refuses to give permission, the employee shall keep the student's information confidential, unless the employee is required to disclose or report the student's information pursuant to this administrative regulation, and shall inform the student that honoring the student's request may limit the district's ability to meet the student's needs related to the student's status as a transgender or gender-nonconforming student. If the student permits the employee to notify the compliance officer, the employee shall do so within three school days.

As appropriate given the student's need for support, the compliance officer may discuss with the student any need to disclose the student's transgender or gender-nonconformity status or gender identity or gender expression to the student's parents/guardians and/or others, including other students, teacher(s), or other adults on campus. The district shall offer support services, such as counseling, to students who wish to inform their parents/guardians of their status and desire assistance in doing so.

(cf. 1340 - Access to District Records)

(cf. 3580 - District Records)

2. Determining a Student's Gender Identity: The compliance officer shall accept the student's assertion of gender identity and begin to treat the student consistent with that gender identity unless district personnel present a credible and supportable basis for believing that the student's assertion is for an improper purpose.

3. Addressing a Student's Transition Needs: The compliance officer shall arrange a meeting with the student and, if appropriate, the student's parents/guardians to identify and develop strategies for ensuring that the student's access to educational programs and activities is maintained. The meeting shall discuss the transgender or gender-nonconforming student's rights and how those rights may affect and be affected by the rights of other students and shall address specific subjects related to the student's access to facilities and to academic or educational support programs, services, or activities, including, but not limited to, sports and other competitive endeavors. In addition, the compliance officer shall identify specific school site employee(s) to whom the student may report any problem related to the student's status as a transgender or gender-nonconforming individual, so that prompt action can be taken to address it. Alternatively, if appropriate and desired by the student, the school may form a support team for the student that will meet periodically to assess whether the arrangements for the student are meeting the student's educational needs and providing equal access to programs and activities, educate appropriate staff about the student's transition, and serve as a resource to the student to

better protect the student from gender-based discrimination.

4. Accessibility to Sex-Segregated Facilities, Programs, and Activities: When the district maintains sex-segregated facilities, such as restrooms and locker rooms, or offers sex-segregated programs and activities, such as physical education classes, intermural sports, and interscholastic athletic programs, students shall be permitted to access facilities and participate in programs and activities consistent with their gender identity. To address any student's privacy concerns in using sex-segregated facilities, the district shall offer available options such as a gender-neutral or single-use restroom or changing area, a bathroom stall with a door, an area in the locker room separated by a curtain or screen, or use of the locker room before or after the other students. However, the district shall not require a student to utilize these options because the student is transgender or gender-nonconforming. In addition, a student shall be permitted to participate in accordance with the student's gender identity in other circumstances where students are separated by gender, such as for class discussions, yearbook pictures, and field trips. A student's right to participate in a sex-segregated activity in accordance with the student's gender identity shall not render invalid or inapplicable any other eligibility rule established for participation in the activity.

(cf. 6145 - Extracurricular and Cocurricular Activities)

(cf. 6145.2 - Athletic Competition)

(cf. 6153 - School-Sponsored Trips)

(cf. 7110 - Facilities Master Plan)

5. Student Records: A student's legal name or gender as entered on the mandatory student record required pursuant to 5 CCR 432 shall only be changed with proper documentation. When a student presents government-issued documentation of a name and/or gender change or submits a request for a name and/or gender change through the process specified in Education Code 49070, the district shall update the student's records. (Education Code 49062.5, 49070)

(cf. 5125 - Student Records)

(cf. 5125.1 - Release of Directory Information)

(cf. 5125.3 - Challenging Student Records)

6. Names and Pronouns: If a student so chooses, district personnel shall be required to address the student by a name and the pronoun(s) consistent with the student's gender identity, without the necessity of a court order or a change to the student's official district record. However, inadvertent slips or honest mistakes by district personnel in the use of the student's name and/or consistent pronouns will, in general, not constitute a violation of this administrative regulation or the accompanying district policy.

7. Uniforms/Dress Code: A student has the right to dress in a manner consistent with the student's gender identity, subject to any dress code adopted on a school site.

Board Policy

Parental Notifications

BP 5145.6

Students

The Governing Board desires to promote effective communication between the school and the home and to keep parents/guardians informed regarding educational programs, school operations, and the legal rights of students and their parents/guardians. The Superintendent or designee shall send parents/guardians all notifications required by law and any other notifications the Superintendent or designee believes will promote parental understanding and involvement.

(cf. 5020 - Parent Rights and Responsibilities)
(cf. 5022 - Student and Family Privacy Rights)
(cf. 6020 - Parent Involvement)

Notice of the rights and responsibilities of parents/guardians as specified in Education Code 48980 shall be sent at the beginning of each academic year and may be provided by regular mail, in electronic form when so requested by the parent/guardian, or by any other method normally used by the district for written communication with parents/guardians. (Education Code 48981)

No activity specified in Education Code 48980 shall be undertaken with respect to any particular student unless the student's parent/guardian has been informed of such action through the annual notification or other separate special notification. Such notice shall state the activity that will be undertaken and the approximate date on which the activity will occur. (Education Code 48983-48984)

The annual notification shall include a request that the parent/guardian sign the notice and return it to the school or, if the notice is provided in electronic format, that the parent/guardian submit a signed acknowledgment of receipt of the notice to the school. The parent/guardian's signature is an acknowledgment of receipt of the information but does not indicate that consent to participate in any particular program has been given or withheld. (Education Code 48982)

Whenever a student enrolls in a district school during the school year, the student's parents/guardians shall be given all required parental notifications at that time.

Notifications shall be presented in an understandable and uniform format and, to the extent practicable, in a language that parents/guardians can understand.

Whenever 15 percent or more of the students enrolled in a district school speak a single primary language other than English, as determined from the California Department of Education census data collected pursuant to Education Code 52164, all notices sent to the parent/guardian of any such student shall, in addition to being written in English, be written in the primary language, and may be responded to either in English or the primary language. (Education Code 48981, 48985)

Whenever an employee learns that a student's parent/guardian is unable to understand the district's printed notifications for any reason, the employee shall inform the principal or designee, who shall work with the parent/guardian to establish other appropriate means of communication.
