School Description

Flournoy Elementary is a one school district. Curriculum is focused on California State Standards and targeted toward student needs. The Mission of Flournoy Elementary School is to provide academic excellence, responsible citizens, and a lifelong desire for learning in a safe environment.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

Flournoy Union Elementary School held a public hearing on September 10, 2019, and determined that the school had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers paraprofessional, administrators and parents/community members. All recommended materials are available for parent examination at the district/school office prior to adoption. The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

School Facility Conditions and Planned Improvements (Most Recent Year)

Flournoy Union Elementary was originally constructed in 1922. The school is comprised of 1 classroom 1 library/stage, 1 staff lounge, 1 cafeteria/multipurpose room and 1 playground. Cleaning Process: The custodian (part-time) ensures that the school is maintained to provide for a clean and safe school. Maintenance and Repair: District maintenance staff ensures that the repairs necessary to keep the school in good repair are completed in a timely manner. Deferred Maintenance Budget: The district participates in the State School Deferred Maintenance Program, which provides matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically this includes roofing, plumbing, heating, electrical systems, interior or exterior painting, and floor systems.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and

- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

The staff of Flournoy Union Elementary School District believes that providing students with a quality education is a team effort between home and school. Your close and constant involvement with your child's learning and teachers is the best way to ensure that your child's needs are met. Because parent involvement is especially critical during the adolescent years, we encourage parents to learn about the school and its programs, become more involved in school functions, and maintain open lines of communication.

One of the easiest ways to become involved at Flournoy is to volunteer. Parent volunteers assist on field trips, run book fairs, organize picture days.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

Safety of students and staff is a primary concern of Flournoy Union Elementary. The school is always in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The School Site Safety plan was last reviewed and updated on March 2020 by the school staff and board of education. All revisions were communicated to the both the classified and certificated staff. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire and disaster drills are conducted on a (monthly/regular) basis throughout the school year. Lockdown drills are held throughout the year. Students are supervised before and after school by certificated and classified staff. Certificated staff/classified staff help with supervision during lunch and break periods. There is a designated area for student drop off and pick up. Visitors must sign in and out and wear a name badge while on campus.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

| Rate | School 2017-18 | School 2018-19 | District 2017-18 | District 2018-19 | State 2017-18 | State 2018-19 |
|-------------|----------------|----------------|------------------|------------------|---------------|---------------|
| Suspensions | 0.00 | 0.0 | 0.00 | 0.0 | 3.5 | 3.5 |
| Expulsions | 0.00 | 0.0 | 0.00 | 0.0 | 0.1 | 0.1 |

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

| Rate | School 2019-20 | District 2019-20 | State 2019-20 |
|-------------|----------------|------------------|---------------|
| Suspensions | 0 | 0 | |
| Expulsions | 0 | 0 | |

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
